

## Important Notice

Porter Preston is proud and excited to announce our recent acquisition of Beards-Cosden Company, Ltd. As a result of this, Beards-Cosden Company will soon be moving its operation from their current location in Mount Vernon, New York to our Porter Preston facility in Waterbury, Connecticut.

Beards-Cosden Company, has been manufacturing custom window shades since 1923. The most direct and immediate benefits for you are two-fold:

First, we will have an expanded roller shade fabric selection available and in stock at Porter Preston! A new and combined roller shade program is currently being finalized with a new sample book becoming available this summer.

Second, we will now be able to supply you with custom and stock , spring roller shades using Canadian wood and Danish steel spring rollers.

This partnership will allow us to expand our reach and provide even greater sales support throughout areas of New York, to include Long Island, and northern New Jersey.

Please join us in welcoming Nick Cunningham, of Beards-Cosden Company, to our Porter Preston family!

We thank you very much for your business and look forward to offering you and your customers, these new roller shade solutions by Porter Preston Beards-Cosden!

Warmest Regards,

Steve Gilmore
