#### **Kirsch Roman Shade with Decorative Drapery Hardware Headrail**

*Product Category: Roman, Roller and Pleated Shades*

Coordinate Kirsch Wood Trends 2" Drapery Hardware with other wood applications in your home, while enjoying Roman Shades. Kirsch's Roman Shade utilizes the drapery hardware for the appearance of a drapery, yet it lifts and lowers like a blind or shade. These shades are offered with Cordless Lift or Motorized Lift. Several fabrics and all the drapery hardware match Kirsch's Ambiance™ Shades for those consumers needing to coordinate their Roman Shades with a Vertical application.
